# FOR OUR FUTURE ASPIRING MODELS

---

“ This isn’t just an opportunity to find work—it’s your chance to become part of a global modelling community. It’s a platform where you can network with industry professionals, learn, grow, and ultimately, shine!”

“Our aim is to offer a professional and bespoke experience to our users, assisting them in enhancing their appearance. We're dedicated to empowering small fashion enterprises, facilitating their growth, and providing them with a global platform.”

# WHO ARE WE?

7dayschic is a dynamic, all-encompassing platform that amplifies voices and talent all over the global fashion industry.

We are committed to breaking down geographical barriers, fostering creative collaborations, and promoting individual growth within the industry.

Our platform has a range of diverse talents, styles, and perspectives – a stage where you can showcase your talent, share your vision, and make impactful connections.

# PAID SERVICES

---

## Modeling Industry Education

We are partnering with fashion educators and schools focused on **helping models start their careers in the industry.**

Through these partnerships, our members gain access to valuable resources and important connections that can greatly improve their presence in the market.

These fashion educators and institutions provide continuous support, training, and learning opportunities specifically designed for aspiring models.

By joining us, you'll benefit from their expertise, gaining the skills and knowledge needed to thrive in the competitive modeling world. This collaboration not only helps you grow professionally but also expands your chances of success by giving you a solid foundation and more opportunities within the industry.

# Personal Branding and Self Promotion

We offer personalized services to **boost your personal brand and self-promotion efforts.** Our digital marketing solutions include managing your website, social media platforms, and online promotions. These services are customized to fit your unique needs and can be adjusted to provide a dedicated team of one to five experts, ensuring you get the right level of attention and professional input to enhance your digital presence effectively.

By using our expertise, you'll create a strong personal brand that sets you apart in the competitive modeling world. Our paid services help you grow your audience, increase your online followers, and attract more career opportunities. With us handling the digital marketing, you'll have the time and focus to concentrate on what you do best, while we ensure your online presence is working hard for you. Invest in your future by allowing us to manage your digital profile and open doors for new possibilities.

# Website Development

We team up with some of the best software development companies to **provide excellent website creation and management services for your brand.** This collaboration enables us to design beautiful and functional websites that effectively display your talents and portfolio.

Thanks to our expertise, your website will not only look **polished and professional** but will also work efficiently, giving visitors a smooth experience when they explore your content. We also offer continuous website management to ensure your online presence stays current and secure.

Let us help you build and maintain a strong digital platform that boosts your brand visibility and opens up new opportunities for growth and connections.

# WEBSITE DEVELOPMENT PACKAGES

---

Having an online presence is very important for models today. The modeling industry has changed, and your visibility online can greatly affect your career. Being active on social media, having a professional portfolio website, and interacting with your audience are **key parts of building your brand as a model.**

Clients and agencies often prefer models with a strong online presence because it shows that you can reach people and connect with potential clients and fans. In today's digital world, your online presence isn't just an extra — it's essential for your success.

We offer an affordable package designed to meet your needs, with different options to fit your budget. If you're interested in a more comprehensive approach and want a dedicated team to help you implement your strategy, let's talk about how we can support you!
